Community Plan Implementation Fund Operational Stream Application

Overview

Community Planning Groups have access to Council's Community Plan Implementation Fund (CPIF) via an application process.

The Operational Stream is available for community based projects that have been identified as a priority within a Community Plan.

Operational funding applications can be submitted at any time throughout the year.

Please note: **Applications must be from Community Planning Groups only.** If you are from another community based group or organisation, please reach out to your Community Planning Group to discuss a partnership.

You can see contact details for Community Planning Groups [here](#).

Guidelines

Please read the Community Plan Implementation Fund Operational Stream Guidelines **before** completing your application.

The Guidelines can be found on Council's website [here](#).

Payment details

* indicates a required field

If your application is successful, Council will need to know who to pay the funds to.

There are **three** ways grant funds can be paid:

1. If your Community Planning Group **is** incorporated, funds will be paid directly to your Group.
2. If your Community Planning Group **is not** incorporated, you can allocate an auspice who will receive the funds for you.
3. If your Community Planning Group is **not incorporated, and cannot provide an auspice**, Council can work in partnership with you to deliver the project and pay associated costs directly to suppliers.

Is your Community Planning Group incorporated? *
